

U4/ U5 / U6 – COED

Indoor Soccer

INTRODUCTION

Small sided games have a universal appeal as each player is totally involved in the game and develops skills at an accelerated pace. The KO Indoor Futsal 3v3 program encourages movement through soccer related children's games. A young player's soccer experience should be a positive and fun one. In this recreational program, competitive pressures should be discouraged and players should be focused on the "everyone wins" theory.
